The screenshot shows a forum interface. At the top right, a callout bubble points to a green button labeled "Tambah Post". Below the navigation bar, there is a search bar and a table with course details. The table lists: Program Studi: GIZI, Mata Kuliah: MF04309 - MATEMATIKA, Kurikulum: 2020, Periode: TA 2022/2023 Sem Genap, Kelas: 2PQA, and Sistem Kuliah: Reguler. Below the table, there are two post entries. The first post is by Wardina Humayrah, titled "Petunjuk Pengerjaan UTS Matematika", with a callout bubble pointing to the "Tambah Post" button. The second post is also by Wardina Humayrah, titled "Kuliah Pertemuan ke-7", with a callout bubble pointing to the "Tambah Post" button.

The screenshot shows the "Tambah Post Forum Kelas" form. It has a title bar with a close button. The form contains several fields and buttons: "Judul Post" (with a callout bubble labeled "Isi Judul"), "Isi Post" (with a callout bubble labeled "Isi Post"), "Lampiran" (with a callout bubble labeled "Upload file"), a "Browse..." button (with a callout bubble labeled "Simpan"), and a "Simpan" button (with a callout bubble labeled "Simpan"). The "Browse..." button shows "No file selected." and "png, jpg, jpeg, pdf (maxsize: 2MB)". There is also a "Batal" button.
